   - The percentage of suppliers who sign up to an appropriate code / provide their own modern slavery statements,
   - The percentage of workers and/or candidates supplied from our preferred supplier list,
   - The amount of time spent on audits, re-audits, spot checks, and related due diligence, and
   - The level of modern slavery training and awareness amongst our staff.
   - We would also recommend reading this in conjunction with our other policies, including our Anti-bribery / corruption policy.
